2. PURCHASING PFD'S

Survivor has purchased Team PFDs that are the Stohlquist brand. The PFDs are a less expensive model than what we used to purchase from Patagonia however most members are much happier with the comfort of the Stohlquist. If other teams want to order PFDs I can give them contact info. Our PFDs cost us what the usual sale price was rather than full retail. Our cost about \$50.00 while retail was usually \$65.00 or more. Unless several are ordered I'm sure there would be little or no savings due to shipping.

3. RACE ROSTERS

Race rosters are due to the board within 2 weeks of participating in a race. Please email to comm@clubsake.com.

4. BOAT CLEANING – SATURDAY, MAY 23

See details below. Please let Hai know who from your team will be able to help.

1. CLUB SAKE PICNIC – SAVE THE DATE – June 28

We have scheduled the Club SAKE Family Picnic for Sunday, June 28 at Newcastle Beach Park from 10:00 a.m. to 3:30 p.m. More details to follow. NOTE: We will be looking for volunteers from each team to help plan the picnic. Let your captain know if you are interested.

2. BOAT CLEANING – SATURDAY, MAY 23

May 23 is the boat cleaning day. We plan to pressure wash the inside of the boats (South dock from 9:30 to 10:00 am; North dock 12:00 pm - 12:30 pm).

We will need 12 volunteers (4 per boat) to help bail the boat after the pressure wash. In addition, we are looking for 1 - 2 pressure washers that we can use to spray wash the boat. Please let Hai Tran (Club equipment manager) know if you can volunteer or have a pressure washer that you can lend to the club. Hai can be contacted via email at:
